Dear Sir:

An Information Disclosure Statement, PTO Form 1449, and 82 documents were submitted to and received by the U.S. Patent and Trademark Office on June 11, 2002, as evidenced by the attached date-stamped postcard. An initialed PTO Form 1449 was returned to Applicants by Examiner Nutter. However, page 3 of the PTO Form 1449 contained what appears to be an oversight; Document B66 was not initialed, although no line was drawn through the entry. Applicants respectfully request that the Examiner provide Applicants with an initialed PTO Form 1449 indicating consideration of Document B66. Another copy of Document B66, including the English language Abstract, and page 3 of the previously submitted PTO Form 1449 are provided herewith for the Examiner's convenience.

Respectfully submitted,

Shannon Schemel
